Objective: To Grow with a Company and contribute my experience in Leadership.

Work History:

2008 to 2009: xxxxx Inc.

General Manager

Responsible for day to day operations from hiring, training and profit control. Provided leadership and great guest satisfaction.

2005 to 2008: xxxxx xxxx, Inc.

Market Manager

Started my career as a General Manager in San Francisco on xxxxxx xxxxx, which is one of the company's highest volume locations. I was responsible for the overall operation, from hiring, training, profit & loss control, local store marketing, and community involvement. Accepted promotion to a multi-unit manager in 2007 and currently overseeing for restaurants located in Redwood City, concord, and 2 Stores in Sacramento. My responsibility is to drive sales, unify brand standards, and build, lead, and develop my team.

2004 to 2005: xxxxx xxxxxx

General Manager

Accepted opportunity as General Manager in order to remain within the development reach of my regional manager who I worked successfully and closely with at xxxx xxxxx In this role I was responsible for complete day to day restaurant operations, management, and staff.

1995 to 2004: xxxxx xxxxxx

Multi-unit General Manager

Provided development, direction, and hands-on training to build bottom line profits, while building top line sales.

Daily duties included: management leadership and supervision, customer service, employee hiring/scheduling, food preparation, payroll, ordering/inventory control, sales budgeting, cash handling, loss prevention, and community relations.

Successfully managed 3 restaurant locations.

1977 to 1995: xxxxx International

General Manager

Began my career here on a line level and continued to progress to general manager. Here I learned everything about people, food, cost control, P&L and time management.
